

Demographic Information:

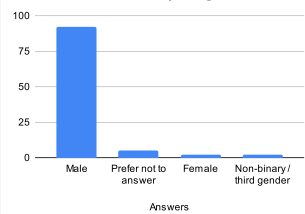

Count of 1.1 What is your age group?

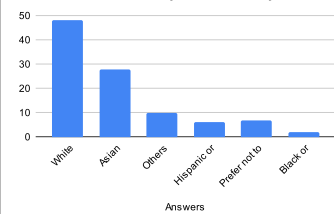

Count of 1.2 What is your current location?

Count of 1.3 What is your gender?

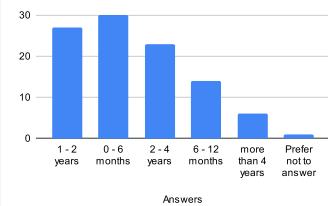

Count of 1.4 How do you describe your

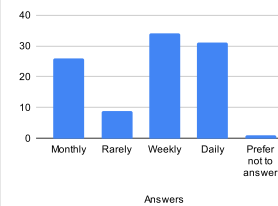

Rust Experience:

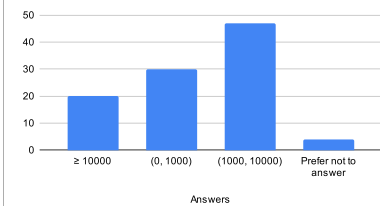

Count of 1.5 How long have you learned to program Rust?

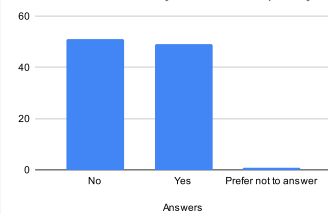

Count of 1.6 How often do you work with Rust?

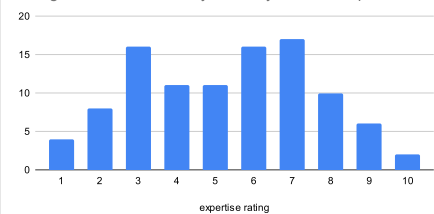

Count of 1.7 How many lines of code are in the largest Rust program you have ever written?

Count of 1.8 Is Rust your most frequently

Histogram of 1.9 How do you rate your Rust expertise on

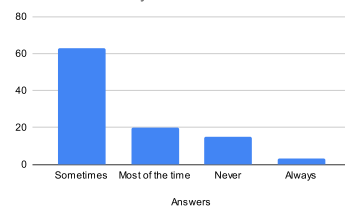

1.9 histogram statistics:

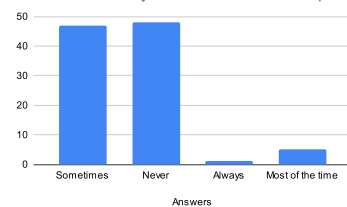

expertise rating	count
1	4
2	8
3	16
4	11
5	11
6	16
7	17
8	10
9	6
10	2

Lifetime and Ownership:

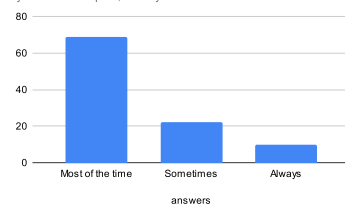

Count of 1.10 Do you find Rust's lifetime rules

Count of 1.11 Do you find Rust's ownership

Count of 1.12 Do you understand the error messages provided by the Rust compiler, when your code violates lifetime rules?

Count of 1.13 Do you understand the error messages provided by the Rust compiler, when your code violates ownership rules?
